

Dear Friend,

October 15 will be **An Evening in Wonderland** to benefit the Father Ryan Arts Center's wonderful arts and educational programs.

We'll hold the event at the Father Ryan Arts Center, right in the heart of McKees Rocks (a.k.a., that great town on the Ohio River, just a few miles from Station Square).

The night will be filled with delicious food and drink, top-rate entertainment, auctions of art items from the area's premier sculptors and painters, raffles, games, and a terrific silent auction.

We are hoping you will want to be part of this event and will **donate an item of either goods or services to our auction**. The form attached provides additional information on how to donate your items.

I will contact you shortly to follow up on this request. As a donor, your company will be recognized on the Father Ryan Arts Center website, and your item(s) will be described both online and in person at the event. It's a wonderful way to reach a select demographic with information about what you do in the region.

Please visit [www.FatherRyanArtsCenter.org](http://www.FatherRyanArtsCenter.org) or call 412-771-3052 and ask Pilar Brown for more information. Thank you for considering donating an auction item for **An Evening in Wonderland**. This is a great opportunity to communicate about your goods and services with a target market.

Sincerely,

The Father Ryan Arts Center Advisory Board

Thank you for donating an auction item for the benefit for the Father Ryan Arts Center, **An Evening in Wonderland**. Beyond helping us to raise funds for a wonderful community center, this is a unique opportunity for your business to have broad visibility.

Your contribution will be listed as an auction item—and your logo and web link will appear along with the item on Father Ryan Arts Center <http://fatherryanartscenter.org> for the period leading up to the event. All donors also will be listed in our program.

Please submit your corporate logo (GIF, TIF or JPG) in a size approximately 180 pixels wide to **pbrown@forstorox.org**. Although we may need to resize the image, we will keep the same aspect ratio.
