

October 15 will be *An Evening in Wonderland* in McKees Rocks—to benefit the Father Ryan Arts Center’s wonderful arts and educational programs. The night will be filled with delicious food and drink, top-rate entertainment, auctions of art items from the area’s premier sculptors and painters, raffles, games, and a terrific silent auction.

The Father Ryan Arts Center is part of the non-profit organization, Focus on Renewal (FOR), which has been providing health, education, and human services programs for over 40 years. When FOR launched the Father Ryan Arts Center three years ago, it opened the doors for children, youth, and adults to learn performing arts, painting, and sculpture, to be part of live performances and art exhibits, and to see shows by local and regional artists. The Arts Center has enriched the lives of hundreds of people of all ages.

We look forward to a terrific event, the proceeds of which will help the Father Ryan Arts Center continue to bring the best in arts and arts education to children, youth, and adults in this region. Thanks again for your participation, and we hope to see you at the event on October 15! Would you please consider purchasing an advertisement in our program book for the October 15 event?
